Although the Wilcox & Gibbs
Sewing Machine has been in the market for ten years, and has gained an unprecedented popularity—having sold to the number of Eighty Thousand in that time—and although the sewing has been publicly decided, through practical tests, by the best judges that could be selected, to be "stronger and less liable to rip in use or years than the lockstice," yet interested partites still persist in falsely representing that the sewing is not "reflable." We could give thousands of certificates, from these who have had these machines in use for years, that these representations are false; but we content ourselves here with one witch we think few will have the hardined to dispute. THESE REMEDIES WERE NOT DIScovered smid Greenland's ley mountains, nor Africa's burning sands; they
were not breathed in thunder from rolling
clouds, nor belehed from meliting voicanos;
they were not brought forth from Chaosby
intuition, nor discovered by accident in a
far off clime; but they are the result of a
long bedside experience in firthe Southern
and Western States, being prepared by regular graduated physicians, with great nocuracy; from remedial agents that are thed
by the Medical Profession all over the
Country.

WHAT WILL THEY DOT

They will restore fading female beauty, will paint the pale cheek, will hurl back the gathering storm that energeles your brow, will add brightness and lustre to your lifeless eye, will give brilliancy and activity to your dull intellect, will soothe and afrengthen your shattered nerves, add tors, health and buoyancy to your whole system. How Will They Do All This ! By arousing, regulating and restoring a ckly females to a healthy condition. B

As your "English Female Bitters" is neither a secret nor a patent, I have frequently prescribed it for the various female complaints of our sountry, and always with the most satisfactory results. It is decidedly the most valuable combination I have ever known for the treatment of those complaints peculiar to the female sex, old or young, and I do not hesitate to give it a hearty recommendation. Its astonishing cares have won for it many laures in Carrella value of the country, that the medical profession and the female community may reap its abvantages.
